**Circular**

Dear Parents,

In view of the ongoing rainy season and the increased risk of mosquito borne diseases such as Dengue, Chikungunya and Malaria, the school is taking precautionary steps to safeguard the health and well-being of the students.

As a preventive measure, students shall wear fully covered clothes as a part of their school uniform till further orders.

**Dress Code Guidelines**

Nursery to V	-	Full Sleeve Black innerwear (under school shirt) Black Long Socks (with school shorts)
VI to XII	-	Full Sleeve Shirts (School Uniform) Trousers (school uniform)

We value your support in adhering to this dress code to reduce the risk of mosquito bites. Additionally, the school is taking proactive measures to prevent mosquito breeding in campus including regular cleaning and fogging.

We appreciate your cooperation in ensuring a safe and healthy environment for your ward.

Regards,
